

### **Grenville Castings (2007) Ltd**

Grenville Castings (2007) Ltd is a world class aluminum casting/machining organization operating in a ISO/TS 16949 and an ISO 14001 environment. Located in Smiths Falls and Perth Ontario, our dedicated employees supply the automotive, heavy truck and recreational markets. We are currently seeking a **Quality Assurance Manager** in our Smiths Falls facility.

#### Position profile:

Reporting to the Director of Quality, the Quality Manager will:

- Implement, adhere to and manage TS 16949 and ISO 14001 business management systems.
- Ensure understanding of and compliance to the Quality Management System requirements and Customer specific requirements.
- Provide quality related leadership and direction for production team members and staff
- Liaise with Customers and suppliers in a continuous improvement direction
- Manage and report on key performance indicators and other metrics supporting corporate initiatives

#### Position Requirements

- A college or university diploma.
- Demonstrated experience in Quality Assurance field - Automotive manufacturing experience required.
- Proven knowledge of business process improvement and core quality tools -PPAP, APQP, FMEA, SPC, MSA.
- Demonstrated Coordinate Measuring Machine (CMM) programming an asset.
- Lean Manufacturing and Six Sigma knowledge an asset.
- Working knowledge of Geometric Dimensioning and Tolerances (GD&T).
- Excellent verbal, written and presentation skills.

Applicants are requested to submit their current cover letter and resume to: [rpurdy@grenvillecastings.com](mailto:rpurdy@grenvillecastings.com). Please reference the title of the position that you are applying for. Please note that all resumes will be reviewed, however we cannot personally respond to each applicant. Unfortunately, only those candidates selected for further assessment will be contacted. We thank you in advance for your interest in our organization.
